

### **Drawing Amendments**

The attached drawing sheet includes changes to FIG. 1. This sheet replaces the original sheet for FIG. 1.

Attachment: Replacement Sheet for FIG. 1

**REMARKS**

In the Office Action mailed August 24, 2005, the application was examined and allowed except for specifically stated issues of form. The Office Action was therefore an Ex Parte Quayle action. Claim 11 and FIG. 1 have been amended per the Examiner's comments.

Claim 11 has been amended solely to matters of form. No amendment made is related to the statutory requirements of patentability. No amendment made herein is for the purpose of narrowing the scope of any claim. The requested amendments are consistent with the suggested formality changes contained in the Office Action. FIG. 1 has been amended as requested by the Examiner and a replacement sheet submitted.

Applicants respectfully request entrance of the amendment and the unconditional allowance of claims 1-13, thereby placing the application in condition for allowance. Should issues remain that might be subject to resolution through a telephonic interview, the Examiner is requested to telephone the undersigned at (954) 723-6449.

The Commissioner is hereby authorized to charge Deposit Account 502117, Motorola, Inc, with any fees which may be required in the prosecution of this application.

Respectfully submitted,

October 12, 2005
